<td>Operational (Acad Affairs) - Academic Success Center - Online Accuplacer Prep Effectiveness - Online Accuplacer Prep Effectiveness</td>
<td><strong>Assessment Measure:</strong> I would like 10% of students who take the Accuplacer to utilize the Accuplacer Prep in order to improve their scores. <strong>Assessment Measure Category:</strong> Internal Tracking <strong>Criterion:</strong> N/A</td>
<td>10/30/2012 - Summary of assessment methods and findings: Number of students who took the Accuplacer at GBC between 7/16/12 (when the class was published) and 10/7/2012: 709. Number of students enrolled in the online Accuplacer prep: 18 (.025%). Number of students who utilized the prep: 11 (.015%). Number of students who were able to test into a higher-level math or English class: 2 (.002%). One student initially tested into 095, and then was able to test into 101. Another moved from math 091 to math 097. <strong>Criterion Met:</strong> No</td>
<td>05/18/2012 - I plan to advertise the class much more (ECSD College and Career Fair, Facebook, in the ASC, on all campus locations). I also plan to give students less of an option to be in the prep. If a student comes in to take the Accuplacer, they will automatically be placed into the prep course.</td>
</tr>
<tr>
<td>Operational (Acad Affairs) - Academic Success Center - Effectiveness of the online Accuplacer Prep course - Assess the effectiveness of the online Accuplacer Prep course offered to GBC students.</td>
<td><strong>Assessment Measure:</strong> The students enrolled in the online Accuplacer Prep had their scores compared with those of the students not enrolled in the course. Students who took the Accuplacer both before and after taking the prep had their pre and post-prep scores compared. <strong>Assessment Measure Category:</strong> Internal Tracking <strong>Criterion:</strong> N/A</td>
<td>05/18/2012 - My program was changed by the decision to become more proactive in my attempts to put students in the course. From August-October 2012, I relied solely on students contacting me to take the course. I've realized that doing this was not a successful plan of action. Reaching out to students/teachers/parents will help to make this program much more widespread and successful. <strong>Criterion Met:</strong> N/A</td>
<td>05/18/2012 - At the GBC College and Career Fair, 148 high school seniors signed up to take part in the class! I will continue to attempt to sign ALL seniors up for the prep, and contact parents/teachers for support.</td>
