<td><strong>Reporting Period:</strong> 2013-2014</td>
<td>12/29/2014 - All homework assignments use a special pre-formatted spreadsheet that tells the student immediately if a cell number is incorrect. This causes scores on these assignments to be relatively high. The chapter by chapter quizzes are repeatable, but with different questions. The scores indicated above are the best score out of several tries for each student. The midterm and the final exam are not repeatable, and this accounts for the lower scores generally.</td>
