2. SGA Update – No report.

3. Faculty Senate Update – No report.

4. Classified Council Update – Jolina Adams presented the Classified Council Bylaws revision. President Council recommended that Classified Council discuss whether it is necessary to have two chairs. A Chair and Vice Chair should be sufficient. This bylaw revision was because of an officer resignation. President’s Council approved the bylaws change with the recommendation that they change the “cans” to “shall”.

    October 18 is the Classified Council Chili Cookoff. Prizes will probably be gift certificates to the Bighorn Bistro and the GBC Bookstore. There will only be 1st prize for chili and 1st prize for soup and a People’s Choice. The entry fee is $8 which is for entry fee and to eat. If you just want to eat the entry fee is just $5.

5. Institutional Planning & Effectiveness – Cathy Fulkerson had no report.

6. President’s Report – Mark Curtis had a meeting this morning with Lynn and talked about the collaborative activities with other institutions that that Chancellor had us to prepare. Mark provided a list of our collaborations to the Chancellor.

7. Equipment Request Process – This is not an official policy, but rather the process that the Budget & Facilities committee follows to disperse equipment money. President’s Council discussed the need to clarify the date that the requests are due. Cathy Fulkerson likes this process because it connects the strategic plan with budgeting. Do we need to make this an official policy? The funds used are from student fees. To make it an official policy we would have to get the wording for the policy and wording for the procedure. Presidents Council recommends that the equipment request process become a part of the GBC policies and procedures. Mike will communicate to the Budget & Facilities committee that President’s Council wants to turn it into a policy.

8. Miscellaneous
Lynn Mahlberg reported that Dean McCabe has been hired as a Retention Specialist in Elko. This position is funded by the C3TG system-wide grant.

Lynn Mahlberg announced that the Elko County School District will hold their Career & College Fair on October 30 at GBC. On November 15 GBC will be hosting the Elko County School District counselors and will be providing lunch. On January 15 GBC will host a parents’ night for 8th, 9th and 10th grade parents and students in conjunction with the MTC program.

Mike McFarlane mentioned the problems getting adjunct email addresses too late making it impossible for them to access their rosters. It is an HR issue and a system issue with the ID. Maybe the technology committee could set up mock IDs to assign to adjuncts to temporarily use the get classes going.

Kris Miller has concerns about security in her building. They are finding all rooms unlocked when they arrive in the morning. Doors need to be closed and locked preferably. Kris will keep pushing with housekeeping.

Bret Murphy reported they are making progress in hiring in the CTE area. They have filled one position and are interviewing for the diesel lab technician. They are still looking for an electrical instructor.
