

Dual Enrollment

WHITE PINE COUNTY SCHOOL DISTRICT

Dual enrollment courses are college courses for which high school students may receive simultaneous college and high school credit.

GBC and the White Pine County School District have worked together to identify many GBC courses that can be applied toward the student's high school diploma.

How does a high school student enroll in dual credit GBC courses?

The following forms only need to be filled out and submitted one time:

- Application for Admission to Great Basin College.
- Special Admission Form for High School Students (signed by student and parent/guardian).
- Information Release for High School Students (signed by student so that the GBC grades can be released to the high school).

This form must be submitted preceding each semester that the student wants to take dual enrollment classes:

- High School Permission Form, which lists desired courses and must be signed by the student, and either the high school counselor or the high school principal. This serves as a registration form as well.

Important note to parents: High school students enrolled in dual enrollment courses are treated like any other college student. The student, and not the parent or guardian, must sign the appropriate forms, resolve concerns with course instructors, access his or her own grades, etc. All fees are due before classes begin.

The following is a list of White Pine School District/Great Basin College Dual-Enrollment Classes. Each of the following courses was approved for dual enrollment by the White Pine School District:

AM 145	American Sign Language I	Information Systems	
AM 146	American Sign Language II	GEOL 101	Exploring Planet Earth
ANTH 101	Introduction to Cultural Anthropology	GEOL 102	Earth and Life Through Time
ANTH 102	Physical Anthropology	GRC 119	Computer Graphics/Digital Media
ART 100	Visual Foundations	HIST 101	U.S. History to 1865
ART 101	Drawing I	HIST 102	U.S. History 1865 to Present
ART 141	Introduction to Digital Photography	HIST 217	Nevada History
AST 101	General Astronomy	HUM 101	Introduction to Humanities I
BIOL 100	General Biology for Non-Majors	IS 101	Introduction to Information Systems
BIOL 190	Introduction to Cell and Molecular Biology	IS 201	Computer Applications
BIOL 223	Human Anatomy and Physiology I	MATH 116	Technical Mathematics I
BUS 101	Introduction to Business	MATH 120	Fundamentals of College Mathematics
BUS 273	Business Law I	MATH 126	Precalculus I
CADD 105	Intermediate Computer-Aided Drafting	MATH 126E	Precalculus / Expanded
CHEM 100	Molecules and Life in the Modern World	MATH 127	Precalculus II
CHEM 121	General Chemistry I	MATH 128	Precalculus and Trigonometry
CIT 110	A+ Hardware	MATH 181	Calculus I
CIT 151	Beginning Web Development	MATH 182	Calculus II
COM 101	Oral Communications	MATH 283	Calculus III
COT 101	Computer Keyboarding I	MATH 285	Differential Equations
COT 151	Introduction to Microsoft Word	MGT 103	Introduction to Small Business Management
CRJ 104	Introduction to Administration of Justice	MGT 201	Principles of Management
CRJ 215	Probation and Parole	MGT 283	Human Resource Management
CRJ 220	Criminal Procedures	MGT 310	Foundations of Management Theory and Practice
CRJ 265	Introduction to Physical Evidence	MGT 367	Human Resource Management
ECE 127	Role of Play for Infants and Toddlers	MKT 127	Introduction to Retailing
ECE 190	Professionalism In Early Childhood Education	MUS 101	Music Fundamentals
ECE 198	Special Topics in Early Childhood	MUS 121	Music Appreciation
ECON 102	Principles of Microeconomics	MUS 125	History of Rock Music
ECON 103	Principles of Macroeconomics	NURS 140	Medical Terminology
ELM 112	Electrical Theory	NUTR 121	Human Nutrition
ELM 122	AC Theory	NUTR 223	Principles of Nutrition
ENG 101	Composition I	PHIL 102	Critical Thinking and Reasoning
ENG 102	Composition II	PHYS 100	Introduction to Physics
ENG 107	Technical Communications I	PSC 100	The Nevada Constitution
ENG 108	Technical Communications II	PSC 101	Introduction to Principles of American Politics
ENG 203	Introduction to Literary Study	PSC 210	American Public Policy
ENG 223	Themes of Literature	PSY 101	General Psychology
ENG 333	Professional Communications	RE 101	Real Estate Principles
ENG 325	Advance Literary Study	SOC 101	Principles of Sociology
ENV 100	Humans and the Environment	SPAN 111	First Year Spanish I
FIN 101	Personal Finance	SPAN 112	First Year Spanish II
FREN 111	First Year French I	STAT 152	Introduction to Statistics
FREN 112	First Year French II	THTR 105	Introduction to Acting I
GIS 109	Introduction to Geographic	THTR 209	Theatre Practicum
