

DEFINING NATIVE AMERICANS: THE BLOOD QUANTUM ISSUE

Since the Indian Reorganization Act of 1934, Native American tribal membership often has been tied to the blood quantum, a measure of parentage. Yet blood quantum has a very controversial history as a tool of discrimination. Join us for an engaging discussion on this important but little discussed topic as part of Native American Indian Heritage Month.

PANELISTS:

Dr. Scott A. Gavorsky, History Professor, Great Basin College
Jens Camp, Research Associate, Great Basin Institute and California Trail Interpretative Center
James Hedrick, Cultural Manager, Newe Ghani Cultural Center

WEDNESDAY, NOVEMBER 15TH , 7:00 PM
