

MINUTES of the
GREAT BASIN COLLEGE
FACULTY SENATE
COMPENSATION & BENEFITS COMMITTEE

On February 10, 2011, the committee received a request for travel from a member of the adjunct faculty. The committee then convened via e-mail, with the following members present: Frank Daniels; Kevin Marie Laxalt; and Jon Licht. The following members were absent: Kara Coates; Greg Molyneux and Connie Zeller.

The matter was carefully discussed by the members, and a motion made to approve the request. With the amount of the request, and especially given the fact that another faculty member saw fit to cancel her approved travel, a majority of the committee reasoned that it might be difficult to justify the professional development request at this juncture. After the vote had been taken, the VPAA indicated via e-mail that “money is here now for this budget, for this purpose.” At this point, no motion for reconsideration has been made.
