I understand and acknowledge the following parameters of this program:

1. Barrick will pay 100% of in-state tuition, lab and technology fees for CSCO 120, 121 and 220 courses at Great Basin College (GBC) only. Support provided by Barrick will be paid directly to GBC upon verification of eligibility and then allocated to approved student accounts.
2. All other costs, including, but not limited to, application fees, books, non-resident fees, travel, etc. are my responsibility.
3. I must achieve a C or better grade in funded courses to be considered for future financial assistance from Barrick. If I earn a grade below C, or do not complete the course, I must successfully repeat and pass the class with a C or better at my own expense before Barrick will consider future support.
4. It is my responsibility to file the appropriate documents with GBC. This includes, but is not limited to, applying for admission if I am not already a student with GBC, enrolling in the course/courses I wish to take, and supplying the appropriate documentation for residency should it be required.
5. By signing below, I authorize GBC to release information to Barrick regarding my enrollment status and grades.
