

Great Basin College Foundation

Student Childcare

Assistance Subsidy

Application

Updated May 22, 2017

2017–2018

GBC Foundation's Student Childcare Assistance Subsidy was established in 2002 by GBC Foundation as part of its commitment to assisting students with their childcare expenses at all GBC Campuses.

***Note: This is not a scholarship; these funds are for childcare only.**

The following application is for a student childcare subsidy of:

- \$750 per semester for a GBC student selected for the subsidy, with an additional \$250 if there is more than one dependent child receiving care. (The additional \$250 is the total supplement – not \$250 per additional child.)

To qualify for selection, the GBC student must:

- Be Pell Grant eligible (requires FAFSA)
- Enroll in a minimum of 9 credits per semester
- Complete a minimum of 9 credits in the fall semester to be eligible for spring semester subsidy
- Maintain a GPA of 2.5 in the fall semester to be eligible for spring semester subsidy
- **To continue to be eligible for the spring semester, or to submit an application for the following academic year, proof of childcare expenses (a statement on provider's letterhead or notarized statement from an individual) for the *FULL AMOUNT* of any childcare assistance received must be submitted to GBC Student Financial Services.**
- Childcare provider must meet the IRS requirements for being a qualified provider, as excerpted below:
You must make payments for child and dependent care to someone you (and your spouse) cannot claim as a dependent. If you make payments to your child, he or she cannot be your dependent and must be age 19 or older by the end of the year. You cannot make payments to:
 - a. Your spouse, or
 - b. The parent of your qualifying person if your qualifying person is your child and under age 13.You can count work-related payments you make to relatives who are not your dependents, even if they live in your home. However, do not count any amounts you pay to:
 - A dependent for whom you (or your spouse if filing jointly) can claim an exemption,
 - Your child who was under age 19 at the end of the year, even if he or she is not your dependent,
 - A person who was your spouse any time during the year, or
 - The parent of your qualifying person if your qualifying person is your child and under age 13.

Timing:

- Applications due: 7/14/17
- Award date: 8/1/17

Other Information:

- Students from the entire GBC service area are eligible.
- This is not a total subsidy, but is intended to ease the childcare cost burden to GBC students.
- The subsidy places the responsibility (and liability) for selection, payment, and documentation of childcare on the GBC student who receives the subsidy.
