If I am approved for the Scholarship Program and if I accept the payment of the scholarship from RMGC, I understand that I am expected to attend classes as a full-time student (normally 12 semester hours or equivalent) and maintain at least a 2.5 grade point average (GPA) per semester on a 4.0 scale. Failure to maintain this GPA with the college or university may cause my suspension or dismissal from the program.

I understand that if I accept payment and do not attend classes for that term, I will be expected to repay the amount awarded in order to remain eligible for future program consideration. If my credit hours drop below full-time student status, no repayment is required; however, I understand I will not receive an award for the following semester.

If I am approved for the program, I understand it is my responsibility to provide RMGC with proof of registration showing at least 12 credit hours for the upcoming semester, grades from the prior semester and a tuition statement from the educational institution **each semester**.

I understand that I am responsible for following the guidelines set forth by the scholarship program. I further understand that failure to comply with the guidelines may cause me to forfeit any funds awarded to me and make me ineligible for participation in this program in the future.

I authorize the college or university that I am attending or have attended to release information to RMGC as may be necessary to determine status. I understand that RMGC may use this authorization to verify my eligibility for the scholarship program.

**I have read and agree to the guidelines set forth by the scholarship program.**
