## HOUSING LICENSE AGREEMENT POLICY

**WELCOME....**We are glad you've chosen GBC Housing as your new home!

We hope to help you make this an exciting and productive year. This application is your essential guide to residence hall life – what is allowed and what is not.

### *Facts*

- While every effort is made to keep this License Agreement current, please be aware that we reserve the right to change or update this Agreement; modify policies, or otherwise adjust content of this document as needed or required to fulfill the mission of the department.
- The Married and Family License Agreement is a legal and binding agreement between you and the Housing Department of Great Basin College. By submitting your signed agreement, you are making a commitment and agreeing to pay for services from month to month and that you will give a 30 day notice of vacating the property.
- Carefully read the entire License Agreement in order to understand what you are agreeing to. Make sure you can commit to all the terms of the Agreement before submitting the form. This License Agreement cannot be transferred, assigned, or subject to another party, in whole or in part.

- Great Basin College Housing reserves the right to refuse any application for accommodations in campus housing by returning the processing fee. Both tenant and spouse must be 21 years of age. Applicants applying as a couple must be married.
- Since the deposit is a cleaning/damage reservation, charges cannot be made against the deposit during the license period. The deposit is also required to insure housing against loss through unpaid room charges, property loss, and excessive wear and tear. At the end of the license period, the deposit will be refunded; less outstanding housing or other account charges.
- Deposits could take up to 30 days to refund due to the GBC Facilities Department being given time to inspect the apartment/dorm upon leaving and determining any damages done to the complex and who is responsible for the reimbursement of said damages.
- Each student is required to sign an Apartment Condition Form acknowledging receipt of all property assigned to them when he/she moves into the apartment. The student is financially responsible for the general condition of the apartment, and the equipment assigned to the apartment, including loss, damage, or special cleaning necessitated by improper care of rooms and equipment. Charges for loss of equipment, damages to, or defacement of, any area in common use may be assessed against residents responsible for that area. Students are responsible for maintaining the cleanliness of their apartment. Upon finding damages when moving into an apartment, residents are required to report them immediately to the housing coordinator.
