Welcome to the Great Basin College Library

Your Great Basin College Library provides access to thousands of helpful online resources. To gain access to these resources, please visit the library website.

As a GBC student, you have access to our various book collections, even if you are at a branch campus. Contact us to learn more.

Don’t forget that you are not limited to the resources that only our library provides. Inter Library Loan is a service that allows GBC students from all branch campuses to obtain materials from other libraries. If you are interested in requesting an I.I.L., please contact the circulation desk.

You will need a library card to access these and other great resources. Applications are available on our website.
