

An Introduction to Cisco Networking Academy

Available April 2017

Learn about careers in technology! This course is being offered through a partnership between Barrick, Cisco, and Great Basin College. Topics include: Introduction to Internet of Things (IoT), Introduction to Cybersecurity, and Getting Connected.

This course is available at no cost for Barrick employees and their immediate family members (spouse and children) who want to register for this Cisco Networking Academy exploratory course. Veterans of the U.S. Armed Forces who reside in the rural Nevada communities (Elko/Spring Creek, Carlin, Crescent Valley, Eureka, Battle Mountain, and Winnemucca) that host Barrick's mining operations may also enroll for no cost. All other community members can participate in this class sponsored by Barrick for only the registration cost of \$7. See section details below to enroll.
