Great Basin College's Affirmative Action Statement

Great Basin College (GBC) is an Affirmative Action Opportunity (AA/EEO) educational institution. It is guided by the principle that equal opportunity means more than equal employment opportunity, and that access to facilities and services be available to all people regardless of their race, age, religion, color, sex, sexual orientation, disability, or national origin. This principle is applicable to every member of the GBC/NSHE community, both students and employed personnel at every level, and to all facilities and services.

Background/Legal and Ethical Standards Acknowledgement Form

In order to ensure the integrity of the Great Basin College Teacher Education Program and the safety of the educational environment in our community schools, the Great Basin Teacher Education Program requires you to obtain a background check with the school district with which you are doing your practicum experiences.

Should your background check reveal any legal issues of concern, you may be asked to supply further information and documentation to the school district. Additionally, if the Teacher Education Committee (TEC) determines you are not suitable to participate in field experiences in community schools due to criminal, ethical, or legal problems, you may be withdrawn from courses requiring field experiences. It is your obligation to inform your advisor of any situation, legal or ethical, which may affect your appropriateness for observing and participating in school field experiences and the student teaching internship.

The Bachelor of Arts in the Teacher Education Program at Great Basin College is designed to prepare students for licensure in the state of Nevada. The Department of Education for the state of Nevada enforces the requirements for licensure of teachers. Applicants who have concerns related to their status in relationship to possible licensure denial are encouraged to contact the Nevada Department of Education (775-687-9115).
