

VHC Report

Remaining Goals for the 2017-18 Academic Year:

Develop a simplified mission and vision statement, as well as overall objectives for the VHC that can form the basis of a public-facing document.

Establish a formal collection policy for materials that are archived by the VHC to provide a clearer picture to prospective partners and content providers for which materials are appropriate.

Develop marketing (“leave-behind”) materials that explain this mission, vision, and these objectives for any potential stakeholders.

The committee meets roughly every 2-3 weeks; if you have any questions or concerns for the committee, please contact Kevin Hodur at kevin.hodur@gbcnv.edu for meeting times or to add agenda items.
