

# Assessment: Annual Report

## Program (BUS) - BAS- Management and Supervision

**Unit Mission:** The mission of the Bachelor of Applied Science program – Management in Technology is to provide students with the abilities and qualities of competence, personal communication, management, and decision making within a broad context to apply in their chosen field of employment.

<i>Outcomes</i>	<i>Assessment Measures</i>	<i>Results</i>	<i>Actions</i>
<b>Demonstrate theoretical and practical understanding -</b> Demonstrate theoretical and practical understanding of all concepts, models and techniques associated with effective management. <b>Outcome Status:</b> Active <b>Assessment Year:</b> 2018-2019	<b>Survey</b> - The outcome will be measured and assessed indirectly by way of a "Pre-Post Questionnaire" given to each student in his or her first semester and in the last semester of his or her program. Differences in the scores of these beginning students and the graduating students will then be analyzed on an ongoing basis. <b>Criterion:</b> No specific quantitative criterion is specified at this time. However, we expect to see a difference in the self-declared levels of learning declared by the students from the start of their program to the end of their program.	<b>Reporting Period:</b> 2018-2019 <b>Criterion Met:</b> Yes SPRING 2019 results – New students in program rated knowledge on a 5 point scale at 4.0.  Graduating students rated their knowledge on a 5 point scale at 4.2 (06/06/2019)	<b>Action:</b> Both measures of success were met so no change in this area are to be made in the coming year. (06/06/2019)
	<b>Assignment - Written</b> - The measurement of outcome #2 is the final project paper in the MGT 482 Capstone course. Students were required to choose one person from a list of ten influential leaders across the globe and time, and to provide a discussion of some questions regarding leadership style and cultural significance. <b>Criterion:</b> Average score for actual	<b>Reporting Period:</b> 2018-2019 <b>Criterion Met:</b> Yes Results for students who completed the case study assignment were 87% meeting the established criteria for success. (06/06/2019)	<b>Action:</b> The third deliverable in the assignment will be changed to be more inclusive of leaders globally, as several students interpreted the deliverable as a leader in the same role of the same organization as the leader they chose. (06/06/2019)
