

Transfer Agreement

**Associate Degree Program:
Any Associate of Applied Science (AAS)
AA, or AS**

**Bachelor's Degree Program:
Bachelor of Applied Science, Emergency
Management**

NOTE: This transfer agreement has been created specifically for the programs listed above and only applies to students that complete the associate degree listed. If the associate degree is not earned, or a new program is selected, the transfer and articulation of listed courses, as well as fulfilled degree requirements, could be impacted.

Important Information: This agreement is based on any Associate of Applied Science degree offered at GBC. Credit variations may occur based on the number of units required for each Associate of Applied Science degree.

Specific General Education Courses Required: GEOL 100 (taken online at TMCC)

These courses should be completed during the associate program. NOTE: Lower-division General Education requirements are fulfilled upon completion of the associate degree, with the exception of the courses listed above. If a General Education subject is not listed here, you may select any general education course approved for the associate degree program.

Specific Program Courses Required: EMHS 200 (see below); GEOL 100 (see below)

These courses will articulate to specific program requirements for the bachelor's program. Courses marked with an asterisk (*) are critical prerequisite or bachelor's program progression courses that will impact a student's progress to completing the bachelor's degree in a timely manner if they are not taken during the associate degree program.

Courses that must be taken at TMCC: EMHS 200; GEOL 100. These courses are offered online.

These courses must be taken at TMCC and may be used for reverse transfer towards the associate degree.

Articulations/Block Transfer: N/A

These courses are approved articulations/substitutions/block transfer for the above-mentioned programs and will transfer accordingly and apply to the bachelor's program as listed.
