Transfer Agreement

Associate Degree Program:
Any Associates Degree (AA/AS/AAS)

Bachelor's Degree Program:
Bachelor of Applied Science, Logistics Operations Management

NOTE: This transfer agreement has been created specifically for the programs listed above and only applies to students that complete the associate degree listed. If the associate degree is not earned, or a new program is selected, the transfer and articulation of listed courses, as well as fulfilled degree requirements, could be impacted.

Important Information: This agreement is based on any Associate of Applied Science degree offered at GBC. Credit variations may occur based on the number of units required for each Associate of Applied Science degree.

Specific General Education Courses Required: ENG 102; MATH 120, 126, 127, 181 or STAT 152; Social Science: ECON 102; Humanities or Fine Arts course (whichever not taken as part of AAS); Diversity course. Diversity May double dip.

These courses should be completed during the associate program. NOTE: Lower-division General Education requirements are fulfilled upon completion of the associate degree, with the exception of the courses listed above. If a General Education subject is not listed here, you may select any general education course approved for the associate degree program.

Specific Program Courses Required: N/A

These courses will articulate to specific program requirements for the bachelor's program. Courses marked with an asterisk (*) are critical prerequisite or bachelor's program progression courses that will impact a student's progress to completing the bachelor's degree in a timely manner if they are not taken during the associate degree program.

Articulations/Block Transfer: N/A

These courses are approved articulations/substitutions/block transfer for the above-mentioned programs and will transfer accordingly and apply to the bachelor's program as listed.
