

Transfer Agreement

**Associate Degree Program:
Associate of Science (AS) Degree**

**Bachelor's Degree Program:
Bachelor of Applied Science,
Digital Information Technology**

NOTE: This transfer agreement has been created specifically for the programs listed above and only applies to students that complete the associate degree listed. If the associate degree is not earned, or a new program is selected, the transfer and articulation of listed courses, as well as fulfilled degree requirements, could be impacted.

Important Information: This agreement is based on any Associate of Science degree offered at WNC. Credit variations may occur based on the number of units required for each degree program.

Specific General Education Courses Required: STAT 152 or MATH 181, PHYS 151 or 180/180L, PHYS 152 or 181/181L

These courses should be completed during the associate program. NOTE: Lower-division General Education requirements are fulfilled upon completion of the associate degree, with the exception of the courses listed above. If a General Education subject is not listed here, you may select any general education course approved for the associate degree program.

Specific Program Courses Required: PHYS 151 or 180/180L, PHYS 152 or 181/181L

These courses will articulate to specific program requirements for the bachelor's program. Courses marked with an asterisk (*) are critical prerequisite or bachelor's program progression courses that will impact a student's progress to completing the bachelor's degree in a timely manner if they are not taken during the associate degree program.

Academic Year 2024/2025

Specific Prerequisite Courses Required: CSCO 120, CSCO 121 and CIT180

In order to enroll in upper-division courses to complete the BAS-DIT program, students may need to take additional courses to meet the related prerequisite requirements.

Articulations/Block Transfer: N/A

These courses are approved articulations/substitutions/block transfer for the above-mentioned programs and will transfer accordingly and apply to the bachelor's program as listed.
