1. Board of Regents: Happening in September and have been asked to speak on Amber becoming permanent president. In support of or opposed to her becoming president. Any thoughts let Ere know now or reach out to her. Or anything you would like Ere to say also reach out to her.
2. Alternate Schedule: President Donelli has moved it forward; we have committee members and have met twice. Janet Vega said they looked at a draft doc from a while back and looked at a bunch of different scenarios as well as what ifs, and oppositions. Agreed on the policy being broad and allowing supervisors to determine what will and won't work for their department. Working on a draft of the procedure document before the next meeting. And will be meeting again on 8/19 to discuss notes on that to finalize and get procedure document approved and moved forward.
3. Committee open positions: a few available and if you are interested/curious to reach out and will fill you in on them

POSSIBLE ACTION ITEMS:

1. Duck Race 9/18 @1:30 at GBC Creek. Selling ducks for \$25, previously purchased ducks are not counted, and starting new with a fresh batch of ducks. Anyone across the campuses can purchase a duck but the event will be held in Elko at the creek. We are trying to see if we can stream it. Sharon has done all the hurdles to make this happen, we have the go ahead from President's Council. Looking to get a budget approved for \$100 to be used to purchase ducks and other items for the event.
 - a. Motion to Approve: Janet Vega
 - b. Motion to Second: Katelynn GurrWill move forward with the event. If you have done this event previously, please reach out to Sharon as we are fairly new to GBC and new to the council. We will also need manpower for the event. Should be a fun event and proceeds go towards the Scholarship Account.
