Teacher Education Program

The mission of the Teacher Education Program of Great Basin College is to provide a distinctive early childhood, elementary, secondary, and special education program for rural Nevada. The Teacher Education Program is designed to develop competence, values, skills, and knowledge to promote lifelong learning. When you graduate from the Great Basin College Teacher Education Program, you will be prepared for certification by the Nevada Department of Education. You can earn a **Bachelor of Arts Degree in Elementary Education**. The Bachelor of Arts in Elementary

Education prepares students to teach grades kindergarten through eight. You can earn a **Bachelor of Arts Degree in Secondary Education**. The Bachelor of Arts in Secondary Education prepares students to teach in grades seven through twelve. Endorsement options include mathematics, social science, biological science, English, business education, and career and technical education. Special Education and Teaching English as a Second Language are also endorsement options.
