

Great Basin College
MAPE Certificate of Achievement Program

Admission Selection Criteria for Fall 2024-Spring 2025

Eligible students must be a current Great Basin College (GBC) student. Eligible students will be ranked according to total points received using the selection criteria below. The points will be determined after Spring 2025 grades have been posted at GBC. Please note that the applicant is responsible for ensuring that official grades for the Spring 2025 semester for non-GBC coursework are submitted to the GBC Registrar. Admission will be offered to applicants with the highest points based on program capacity. Meeting the minimum application criteria does not guarantee admission to the MAPE program. In the event that applicants have an equal number of points, a tiebreaker will be decided based on the date of program application.

General Education Required Courses English 100/101/107, Math 116 or higher or Statistics, Nursing 140	2 points for A or B 1 point for C For each course completed.
