RE: MILS 100, 105, 110, 115

At the May 7 meeting, Curriculum & Articulation committee tabled the review of the MILS courses due to the CCN forms not being submitted with the documents. On May 9 Bret Murphy submitted the CCN forms to the NSHE institutions but the timeline did not allow for the required 10 business day window due to NSHE's CCN summer policy.

On the May 11 Faculty Senate meeting, Academic Standards committee presented the MILS courses for approval. A motion to approve was made, seconded, and approved.

On August 15 the CCN forms were sent out again to the NSHE institutions for review and approval. On August 29 the CCN submissions came back with no objections from the other NSHE institutions. With that final step completed, an email vote to approve the MILS courses was held on August 30 and approved unanimously.
