### Reactivate Courses:

**The committee reviewed the following information items.**

CMI 376  
CMI 350 Ultrasound Physics **and** Instrumentation (and was **&** in previous title so this is a small title change for GBC to align our course title with CCN)  
CMI 351 Abdominal Ultrasound  
CMI 352 Obstetric Ultrasound  
CMI 353 Gynecologic Ultrasound

### Informational Items- RE: Catalog Change

#### PROGRAMS

GRC 365 Prerequisites – Must have been accepted into the BAS-GRC or BAS-DIT Program.

AAS Nursing Program - Beginning Fall 2019, the GBC AAS Nursing Program will not recognize completed Anatomy or Physiology courses older than five years or repeated more than three times. See pages page 177-179 Under prerequisite requirements, listings should change to read: \*BIOL 190 is a Science Department requirement to be taken prior to or concurrently with BIOL 223. \*Beginning Fall 2019, the GBC AAS Nursing Program will not recognize completed Anatomy or Physiology courses older than five years or repeated more than three times. \*Completion of Certified Nursing Assistant Course within the last 5 years or current CNA License.

The Education Department is requesting that we change the 2018-2019 catalog pages 138 and 139 to include ECE 251 Curriculum in Early Childhood Education instead of ECE 252 Infant/Toddler Curriculum.
