The Instructional Technology Committee met on May 9 and discussed the following items:

1. VidGrid Replacement in WebCampus

Yvonne Naungayan updated the committee on the impending replacement of VidGrid in WebCampus. VidGrid is ending and the Distance Education Department is searching for a replacement. Panopto is one option that offers improved accessibility and functionality. Distance Education hopes to have the video platform in place by the fall semester. There will be training for faculty.

2. Committee website links for resources addressing copyrighted video use in classrooms.

Chair discussed options for updating committee website with instructor resources and information regarding the use of copyrighted video in classroom and online instruction.
